

1st CECOG Colon Cancer Academy

March 3 – March 4, 2023

Bucharest, Crown Plaza Hotel

Meeting Presidency:

F. Ciardiello, Italy

C. Zielinski, Austria

Cornelia Nitipir, Romania

Friday, March 3, 2023

12:30 – 13:30 Registration and coffee

13:30– 13:35 Welcome on behalf of CECOG and its presentation **Christiane Thallinger, A**

13:35 -13:40 Welcome address

Cornelia Nitipir, RO

JOINT SESSION: DOCTORS, NURSES, ADVOCACY

Room: Magnolia

Resectable CRC

Chairs: Christiane Thallinger, Austria, Laurentia Gales, Romania

13:40 – 14:00 Minimal Invasive Surgery vs Extensive Surgery **Bela Teleky, A**

14:00 - 14:20 What is the place of neoadjuvant / adjuvant radiotherapy in rectal cancer?

Laurentia Gales, RO

14:20-14:40 Defining the place of systemic therapy in nonmetastatic CRC: Compounds and duration of treatment

Andrea Sartore-Bianchi, I

14:40 -14:50 Q&A

Short break (Nurses-Advocates will start their meeting in Room Transilvania)

Advanced CRC, First Line Treatment

Chairs: Juraj Beniak, Slovakia,

15:00 -15:20 Biological considerations on sidedness relative to choice of treatment

Fortunato Ciardiello, I

15:20 -15:40 First line treatment: Which chemotherapy regimen, which antibody and why?

Volker Heinemann, DE

15:40 -16:00 Triple-drug versus quadruple-drug chemotherapy: Options and choices

Gerald Prager, A (video)

16:00 -16:10 Q&A

16:10-16:40 Coffee break

Advanced CRC, Second Line Treatment and Beyond

Chairs: Fortunato Ciardiello, Italy, Mila Petrova, Bulgaria

16:40-17:00 The place of minimal invasive interventions in advanced CRC: Methods, options and outcomes

Martin Funovics, A

17:00-17:20 Choices and options for drug combinations in second-line treatment.

Jurai Beniak, SK

17:20-17:40 Third-line treatment and beyond

Gerald Prager, A (Video)

17:40-17:50 Q&A

17:50- 18:00 short break

JOINT SESSION: Doctors, nurses, Advocacy

Chair: Christoph Zielinski, Nurse, Patient Advocate

18:00- 18:20 ESMO Clinical Practice Guidelines for mCRC

Erika Martinelli, I

18:20 – 19:30 4 Case presentations and discussions with the faculty

- 1) Case report: Metastatic rectal cancer – Individualized Therapy– **Adina Croitoru, RO**
- 2) Case – **Radu-Dimitru Dragomir,RO**
- 3) Rechallenge with oxaliplatin in a heavily treated HER2 positive colon cancer patient - **Mihaela Olaru, RO**
- 4) Challenges in plurialergic patient with metastatic colon cancer – **Ion-Cristian Iaciu,RO**

Faculty:

Fortunato Ciardiello, Italy, Laurentia Gales, Romania

20:00 Networking Dinner in the Hotel Room La Veranda

Saturday, March 4, 2023

8:00 – 8:30 Molecular profiling – a breakthrough for precision treatment of CRC.

Borislav Belev, HR

Novel Compounds and Strategies for the treatment of CRC

Chairs: Christoph Zielinski, Austria, Radim Nemecek, Czech Rep

8:30 – 8:50 Treatment in KRAS mutated CRCs

Volker Heinemann, DE

8:50-9:10 Immunotherapy

Mila Petrova, BG

9:10 - 9:30 Treatment in BRAF mutated CRCs

Radim Nemecek, CZ

9:30-9:50 Treatment in Her-2/neu Overexpressing CRCs

Andrea Sartore-Bianchi, I

9:50-10:10 Novel chemotherapeutic compounds

Janja Ocvirk, SI

10:10-10:30 Q&A

10:30-10:50 Coffee Break

JOINT SESSION: Doctors, nurses, Advocacy

The Future of Cancer Care-Young Future Leaders Session

10:50 – 11:45: cases on the use of precision medicine in CRC presented and discussed by young oncologists.

- 1) The usage of hepatic arterial infusion for liver metastases of colorectal cancer
Andrii Lukashenko, UA
- 2) Challenges in treatment decisions in a patient with MSI high colon rectal cancer -
Cristina Orlov Slavu, RO
- 3) Advantages of cetuximab and irinotecan in pretreated colon cancer –
Ana Maria Popa, Cristina Radulescu, Valentina Balsanu, RO

Chairs and Discussants: Stanislav John, Czech, Mila Petrova

11:45 – 12:30 Roundtable: Young Oncologists' Problems in the Area – An Attempt to Generate a New Era

Participants: **Cornelia Nitipir, RO** and **Mila Petrova, BG**

12:30 Closing remarks

NURSES AND ADVOCACY:

Friday, March 3, 2023

12:30 – 13:30 Registration and coffee

13:30– 13:35 Welcome on behalf of CECOG and its presentation

**Christiane Thallinger, A
Cornelia Nitipir, RO**

13:35 -13:40 Welcome address

JOINT SESSION: DOCTORS, NURSES, ADVOCACY

Resectable CRC

Chairs: Christiane Thallinger, Austria, Laurentia Gales, Romania

13:40 – 14:00 Minimal Invasive Surgery vs Extensive Surgery

Bela Teleky, A

14:00 - 14:20 What is the place of neoadjuvant / adjuvant radiotherapy in rectal cancer?

Laurentia Gales, RO

14:20- 14:40 Defining the place of systemic therapy in nonmetastatic CRC: Compounds and duration of treatment

Andrea Sartore-Bianchi, I

14:40-14:50 Q&A

14:50 short break – Nurses and patients start their own meeting

ROOM Transilvania

15: 00- 15:30 Changing the CRC landscape: the importance of patient advocates

Alina Comanescu, RO

15:30-15:50 Patient Group Restart la viata

Lidia Stoica, RO

15:50 -16:10 Q&A

16:10-16:40 Coffee break

16:10 – 17:20 Port-a-caths' management on the long term

Ileostomy and colostomy care and complications- the perspective of an oncologist

Ana Maria Popa, RO

17:20-17:40 3EGFR inhibitors' cutaneous toxicity- patient education

Cornelia Nitipir, RO

17:40 -17:50 Q&A

short break – Nurses and patients change the room – joint session Room Magnolia

JOINT SESSION: Doctors, nurses, Advocacy

Chair: Christoph Zielinski, Nurse, Patient Advocate

18:00- 18:20 ESMO Clinical Practice Guidelines for mCRC

Erika Martinelli, I

18:20 – 19:30 4 Case presentations and discussions with the faculty

1) Case report: Metastatic rectal cancer – Individualized Therapy– **Adina Croitoru, RO**

2) Case – **Radu-Dimitru Dragomir, RO**

3) Rechallenge with oxaliplatin in a heavily treated HER2 positive colon cancer patient -
Mihaela Olaru, RO

4) Challenges in plurialergic patient with metastatic colon cancer – **Ion-Cristian Iaciu, RO**

Faculty:

Fortunato Ciardiello, Italy, Laurentia Gales, Romania

20:00 Networking Dinner in the Hotel Restaurant

Saturday

NURSES – ADVOCACY – Room Transilvania

8:30 – 9:00 Adjunctive therapy for patients with colon cancer **Mihaela Olaru,RO**

9:00- 9:30 Nutrition in the patient with colon cancer **Cristian Iaciu, RO**

9:30 – 10:00 Molecular genetics of colorectal cancer - the ABC for patients
Cristina Orlov Slavu, RO

10:00-10:30 Chemotherapy / anti EGFR re-challenge in colon cancer **Cornelia Nitipir,RO**

10:30-10:50 Coffee Break

JOINT SESSION: Doctors, nurses, Advocacy

The Future of Cancer Care-Young Future Leaders Session

10:50 – 11:45: cases on the use of precision medicine in CRC presented and discussed by young oncologists.

- 4) The usage of hepatic arterial infusion for liver metastases of colorectal cancer
Andrii Lukashenko, UA
- 5) Challenges in treatment decisions in a patient with MSI high colon rectal cancer -
Cristina Orlov Slavu, RO
- 6) Advantages of cetuximab and irinotecan in pretreated colon cancer –
Ana Maria Popa, Cristina Radulescu, Valentina Balsanu, RO

Chairs and Discussants: Stanislav John, Czech, Mila Petrova

11:45 – 12:30 Roundtable: Young Oncologists' Problems in the Area – An Attempt to Generate a New Era

Participants: **Cornelia Nitipir, RO and Mila Petrova, BG**

12:30 Closing remarks

his event was made possible by
