

4th CECOG Thoracic Cancers Academy

Preliminary Programme (as by October 31, 2023)

Friday, January 19, 2024

Main Lecture Hall

11:00-11:10	<p>Welcome</p> <p>M. Jakopovic, Zagreb C. Zielinski, Vienna</p> <p>Welcome</p> <p>M. Jakopovic, Zagreb and C. Zielinski, Vienna</p> <p>Introduction to CECOG</p> <p>Ch. Thallinger, CECOG</p>
11:10-12:20	<p>News in Screening and Staging</p> <p>M. Samarzija, Zagreb H. Prosch, Vienna</p> <p>Lung cancer screening in Croatia - first national screening in Europe</p> <p>M. Samarzija, Zagreb</p> <p>Screening in smokers and non-smokers - state of the art</p> <p>A. Marusic, TBD</p> <p>TNM 9 - lung cancer, pleural mesothelioma and thymic malignancies</p> <p>H. Prosch, Vienna</p> <p>Panel Discussion & Q&A</p>
	Coffee Break
12:30-13:25	<p>Early stage NSCLC - current treatment paradigms</p> <p>MA. Hoda, Vienna J. But Hadzic, Ljubljana</p> <p>Bronchoscopic tools for diagnosis and staging - state of art</p> <p>S. Badovinac, Zagreb</p> <p>Surgery for very early and early NSCLC - less is more?</p> <p>T. Klikovits, Vienna</p> <p>SBRT in inoperable and operable early NSCLC</p> <p>J. But Hadzic, Ljubljana</p> <p>Panel Discussion & Q&A</p>
	Lunch Break
13:25-14:30	<p>SCLC and Thymic Malignancies</p> <p>N. Secen, Novi Sad M. Jakopovic, Zagreb</p> <p>Systemic treatment of SCLC (including novel approaches)</p> <p>J. Spasic, Belgrade</p> <p>Thymic Malignancies: Current standards in treatment</p> <p>M. Jakopovic, Zagreb</p> <p>Panel Discussion & Q&A</p>
15:10-16:20	<p>Systemic treatment NSCLC</p> <p>T. Cufer, Ljubljana D. Radosavljevic, Belgrade</p> <p>Molecular characterization of NSCLC</p> <p>I. Kern, Golnik</p> <p>Perioperative systemic therapy for resectable NSCLC</p> <p>T. Cufer, Ljubljana</p> <p>Treatment of oncogene-addicted advanced NSCLC</p> <p>Tanya Zlatanova, Sofia</p> <p>Treatment of non-oncogene-addicted advanced NSCLC</p> <p>B. Zaric, Novi Sad</p> <p>Panel Discussion & Q&A</p>
	Coffee Break
16:20-16:45	<p>Palliative and supportive Care in metastatic lung cancer</p> <p>T. Kovacevic, Novi Sad S. Plestina, Zagreb</p> <p><i>Interventional options for palliative patients</i></p> <p>A. Rozman, Golnik</p> <p><i>Is Surgery indicated in a palliative or salvage setting ?</i></p> <p>Goran Madzarac, Zagreb</p> <p>Palliative and supportive Care in metastatic lung cancer – an update</p> <p>T. Kovacevic, Novi Sad</p> <p>Panel Discussion & Q&A</p>
16:45-17:40	<p>Special Session</p> <p>Trials in Thoracic Oncology in the CEE region – pros and cons</p> <p>C. Zielinski, Vienna and Ch. Thallinger, CECOG</p>

Saturday, January 20, 2024

Main Lecture Hall

08:30-09:40	<p>Pleural Mesothelioma - whats new?</p> <p>MA. Hoda, Vienna M. Jakopovic</p> <p>Update on histology and molecular pathology in PM</p> <p>Luka Brcic, Graz</p> <p>Is surgery still indicated in PM?</p> <p>C. Aigner, Vienna</p> <p>The current role of radiation in PM</p> <p>J. But Hadzic, Ljubljana</p> <p>Systemic options including IO in PM</p> <p>M. Jakopovic</p> <p>Panel Discussion & Q&A</p>
	Coffee Break
09:40-10:15	<p>Young Oncologists MDT Session (bring your case to discuss with the experts)</p> <p>M. Jakopovic, C. Aigner, J. But Hadzic, T. Cufer, A. Marusic, L. Brcic</p> <p>Case presentation and Discussion</p> <p>TBA</p> <p>Case presentation and Discussion</p> <p>TBA</p> <p>Case presentation and Discussion</p> <p>TBA</p> <p>Case presentation and Discussion</p> <p>TBA</p>
10:15-12:15	

19:30

Networking Dinner
