15:15 – 16:45

Neoadjuvant Treatment Strategies in resectable/Boarderline resectable PDAC

Chair O. Strobel

Chair M. Schindl

Front-Up Resection is the Way to Go – *O. Strobel, Vienna*

Neoadjuvant Treatment is the Preferred Option – *M. Reni, Milan*

Multimodal treatment strategies in primary resectable and borderline resectable pancreatic cancer – current evidence for a stage-dependent approach – *M. Schindl, Vienna*

Welcome Reception at the Josephinum 16:45 – 18:30

SCIENTIFIC PROGRAMME

Saturday, September 07, 2024

Welcome Coffee 08:30 - 09:30

Treatment of Advanced Pancreas Cancer

Chair D. Melisi

Chair E. v. Cutsem

FOLFIRINOX/NALIRIFOX of NabPaclitaxel/Gem: what should be chosen? - *D. Melisi, Verona*

Continuum of Care in mPDAC - *H. Wasan, London*

Keynote Lecture

Novel Therapeutic Concepts in the Treatment of Pancreatic Cancer

E. v. Cutsem, Leuven

Break 11:15 - 11:45

Case Presentations by Young Oncologists

Chair T. Macarulla

Chair H. Wasan

During this session, participants will present their cases, which will be followed by an engaging discussion with all attendees and faculty members.

Keynote Lecture

Early detection of pancreatic cancer by AI assisted screening

S. Brunak, Copenhagen

Closing remarks

Closing words by
C. Zielinski, Vienna
G. Prager, Vienna

09:30 - 10:30

10:30 - 11:15

11:45 - 12:25
